11. [redacted] George Murphy advised that the Joint Committee on Atomic Energy had prepared their release and it was marked for Thursday a.m. release. This means it will be in the hands of the press late today and undoubtedly will be referred to on the 11 o'clock news on the 2nd of August. We picked up ten copies and made them available to Representatives Rivers, Bates, Price and Mahon and Senators Russell, Stennis and Jackson.
